from Their Majesties

Unto the fine and noble populace of our Most Glorious Kingdom of the Outlands, do We Maelgwn and Lillian send Greetings.

Many gifts were presented to Us upon Our Coronation. Know that we found them thoughtful and well sent. Your generosity sustains us in the present and upcoming months as We prepare to celebrate Our holiday season and put forth Our support for Estrella War. Congratulations to Vicount Berold of the Citadel in becoming the newest member of the august Order of the Venerable Guard.

The tourney to determine Our Heirs to these most bountiful lands is fast approaching. We commend Our Shire of Drygestan for hosting the event on the first weekend of March. Letters of intent are required to be delivered by regular mail to our home address on or before February 8th, 1999. Entrants must read and understand both Kingdom Law and Corpora. Furthermore, they must meet all requirements for participation in the tournament as outlined in both documents. As a fundraiser, Crown Tournament Programs are being made. If, as a participant, you would like to be included in the program, please include particulars about yourself, such as height, weight, age, and motto. In addition, color photos are highly encouraged, but know they will be retained as property of the Crown.

Our adept archers in the cold and wintery depths of Our Shire of Windkeep supplied another delectable variety of wild game at the most recent Hunter's Feast. The dishes were prepared with in such skill and number, many found it nearly impossible to sample dessert. We welcome our newest Court Baron and Baroness, Master Rhys and Mistress Aldyth. Their support of the Kingdom sustains and benefits many people, and we are happy to recognize them as nobles of Our realm. Congratulations to Lady Jadi in joining the Order of the Argent Hart, and to Lady Asta Olafsdottir, who's name and device passed on the same day of receiving her Award of Arms. Our deepest appreciation to Nesta for donating her beautifully worked cross-stitch chess set to a benefit auction for Our travel fund. We watched her work progress through the summer months at camping events, all the while not knowing its generous intent. We commend Sir Jalut, highest bidder, for recognizing the value of the piece. He has challenged anyone to a game at the Estrella war. When you see it, you'll know why. The Kings of the chess set are represented by the Outlands Stag and the Atenvelt Sun.

Estrella War is on the bright horizon of our mountain crested Kingdom. Heavy weapons war practices are particularly fruitful under the guidance of the regional War Commanders. For this We are thankful and assured of certain Victory. Participation in these efforts by everyone in the Kingdom benefits those who will be attending the War.

We are pleased to announce the elevation of Don Jean Eric Cavalier of Caerthe to the position of Kingdom of the Outlands Rapier Commander for Estrella War. We ask the rapier community and Regional Commanders to support him in this effort.

Furthermore, we commend the efforts of Our Middle Eastern dancers on practicing troupe performances for the Estrella Arts and Sciences Competition. Preliminary performances have been a joy to witness, and We look forward seeing the astonished faces of Our foes at their accomplishments. We are also privy to some of the fine Calligraphy and Illumination entries in progress. As you know We are extremely pleased with Our Kingdom's scribes in keeping current with award scrolls. Above and beyond sheer numbers, the complexity, skill, and creativity of these works of art amazes Ourselves and Our cousins in other Kingdoms. Field garb? Well, as Our Kingdom is rugged, Our costumers design and fabricate some of the most beautiful garments in the Known World. Bring or send your closet contents. Let us overwhelm them with the Bounty of Our Kingdom artisans.

We hope all have had a safe and joyful holiday season throughout the Kingdom. Huzzah!

from The Seneschal

Greetings unto the populace of the Outlands from your Kingdom Seneschal,

My hope is that your travels have been safe during this wintry season and that you all have been preparing for the Estrella War. All efforts are appreciated. Those of you who are planning to attend the War may be happy to know that pre-registration is now available to speed the process of checking in at the troll. Remember that checks are not accepted at Troll, so bring along cash for that purpose. Consult with your marshals to be sure your weapons meet the standards for the War. Also be sure to take

your membership and fighter authorization cards with you. Any children must be accompanied by a parent or a legal guardian... SCA Statement of Guardianship form will be required. If you do not have a copy of this form, you may contact your local seneschal (it is in the Outlands Seneschal's Handbook) or contact me. This is a new site and quite a nice one as I understand it. May you all have safe travels.

I would like to thank THL Adam for his "persistent" efforts in coordinating the Toys for Tots Tournaments this year. There were a multitude of toys gathered during this simultaneous event. Hearty congratulations to the generous populace of the Outlands. Any group that is interested in participating next year should contact His Lordship.

As you travel to various events, please notice the good works of the gentles who live in our Kingdom and those of other Kingdoms as well. Then take time to record your thoughts in the form of a letter or an award recommendation form and mail it to Their Majesties. Although Their Majesties are travelling far and wide, They cannot be everywhere at once and They rely upon all Their subjects to bring to notice the good works of Their subjects so those gentles might receive appropriate recognition. If you wish to make a recommendation for a gentle living in another Kingdom, send your letter to the Crown of that Kingdom with a copy, if you wish, to our own Crown for informational purposes. Anyone can write a letter of recommendation for anyone; you need not have received the award yourself in order to recommend another. In order to receive an award; however, a gentle must be a paid member of the SCA. Please remember that the final decision rests with Their Majesties.

May you stay warm and well fed during this season and look forward to the thaw of Spring in a few months.

In service to Crown and Kingdom,

Coemri

from the Earl Marshall

Greetings Everyone.

I would like to thank the shire of Nahrun Kabirun for a fun event. I Enjoyed being able to fight for the honor of Her Majesty Lillian in your fair shire. Thank you also for the hospitality.

There are a number of war practices schedules for the next few months. Even though we have the greatest warriors in the known world, practice is still necessary. The more fighters that attend war practice, the more realistic the practice will be. Get together and car pool. The more the

merrier. I would urge all fighters to travel as much as possible. By doing so, a fighter can gain knowledge of diverse styles of combat and get more of a feel about blow calibration on a kingdom level. We all gain by fighting a wider variety of opponents.

Negotiations for Estrella War went well. The siege warfare is much simplified from last year. All interested combat archers should contact Sir Akira 970-498-0798 (hildman@mailexcite.com) and/or Lord Iain Lindsey Macrae (ILMacRae@aol.com). We will be using fiberglass shafted arrows and these two gentles have information concerning their construction. Please read the treaty in the Outlandish Herald to familiarize yourselves with the

scenarios and conventions of combat. Check www.estrellawar.com for periodic update about the war.

My warrant as Earl Marshal expires in March of 1999. I would like to find a replacement before Estrella war so that the new EM can get a taste of what he/she is getting themselves into. Please send me letters of intent if interested in this position (email is okay).

In service,

Haroun

from the Outgoing Archer General

Greeting from THLD Peregrine Elric of Courtenay, Outlands Archer General!

1) Reminder to all Captains of Archers

"An annual Domesday report summarizing the archery activity of the group for the past season is due (to the Archer General) by December 1st". . . At the same time you should send a list of all your archers. . . "This list should include: Archer's SCA name, modern name, address, phone number, SCA membership # and expiration date, their three high royal round average for the season, and any other pertinent data on their archery, marshaling, and bowyer skills" [ref: Outlands Target Archery Handbook, Section 2-1-3, Captain of Archers]. Your efforts to get this data to me in a timely manner will be most appreciated, especially in light of the next item.

2) TRM have approved my proposed successor, and the change of the office of Archer General will be conducted at Caerthe Twelfth Night. The next Archer General will be Yeoman Lady Ailinn Shadowfox, Companion of the Golden Pheon, who is a well accomplished archer. She brings much experience and enthusiasm to the position, and her Vision for Outlands Archery will give even more energy to the program throughout the Kingdom. Please welcome her as you are able, and give her the same support and consideration that I have been so thankful for.

3) Thank you for the opportunity to serve as Archer General over the past four years. I have been fortunate to meet most of the active archers in the Kingdom, and know that "We've Only Just Begun" to show the Knowne World what we're capable of accomplishing. May the wind be at your back, your bowarm strong, and your arrows always find their mark.

In Service to the Outlands,

ThLD Peregrine Elric of Courtenay

from the Incoming Archer General

Greetings Archers of the Outlands

I am looking forward to working with all of you as the Archer General of the Kingdom of the Outlands. Winter is a slow time for archery, but I encourage all of you to keep up your skills with indoor practices and tournaments. Estrella is almost here. With the War treaty this year, we have a good chance of earning the War point for archery. But, we need as many archers to attend as possible. We also need warranted archery marshalls to staff the War point Shoots on Saturday, Feb. 13th, from 7AM till Noon. If you can work any, or all, of that time, please contact me at (303)452-0717 or kswayne@lucent.com.

Archers! Arm yourselves! To WAR!!!!

from the Kingdom Exchequer

Greetings unto the Exchequer's of this glorious kingdom

You should have received the packets from me for your year end reports by this time. If you have not, contact me immediately. If you are having any problems with them let me know now. Waiting til the last minute will upset both of us. I plan to attend Caerthen 12th Night, Dragonspine Candlemas, Unser Hafen's Winter Oasis, and Caer Galen's Spring A&S Festival. Please find me if I can be of any help to you.

Secondly, if you have not started the process of updating your groups signature cards I would suggest now would be a good time. I hope to meet all of you soon. I feel very honored working with such a capable group of poeple. I would hope that we can encourage and help each other to make this easier on all of us.

From the Kingdom WaterBearer

Unto the populace of the Outlands, the Honorable Lady Sadhbh Ni Donnabhain sends greetings.

I have recently assumed the office of Kingdom WaterBearer. I would like to thank Mistress Aurora of Woolhaven for all of her hard work, and I hope to adequately fill her shoes. After much consideration and consultation with various waterbearers throughout the kingdom, I have decided to take four deputies, one for each region within the kingdom. This will ensure that the waterbearing efforts remain flexible and localized, and the deputy is more likely to know the person in charge of a specific group in their area. The areas break down as follows:

- * The Far North (Wyoming and the Hinterlands)
- * The Near North (The Colorado Front Range, from Unser Hafen to Aarquelle
- * The al-Barran/Drygestan area (also includes Rio de las Animas & Fontaine de Sable
- * The Deep South (St. Golias to Citadel)

The duties that come with the office are similar to those listed within the WaterBearer's Handbook.; keeping me informed of what the local groups need as far as waterbearing supplies, keeping lists of those people who can be counted upon to waterbear at events, and working with local waterbearers to ensure adequate waterbearing coverage of events that contain fighting, fencing and archery. They need to be eighteen year of age or older, and must be warranted (it isn't a hard process-just a form-see me if you are interested). They must also have a reliable form of transportation, at their disposal or arranged. Anyone interested in these positions can call me at (303) 306-6712, or e-mail me at rainmaker@sprintmail.com.. I'm hoping to have these positions filled by mid January.

On a different note, WAR is approaching and I have been in contact with my counterpart in Atenveldt, for information on what is needed from the Guild. We need many volunteers for Saturday and Sunday to waterbear, man the watering point, fill jugs, pass out fruit to fighters and spectators alike, back up the Marshallate and the Chiurgeons in charge, and above all, support the fighters of both armies. Anyone who can carry a water bottle is encouraged to volunteer for this important duty. I will have more information as Estrella approaches.

In addition, I would like to see something at official events: waterbearers wearing the insignia of the Guild (a white tabard, baldric or favor with a blue water drop) to ensure people know who to go to get watered. (it sounds silly but sometimes people don't see the water jugs you are carrying through their grilles, especially if you are much shorter than they are.). I will be in touch with those waterbearers in your local groups to see if they have insignia or if they need them. I would encourage anyone who has waterbearing duties in the Outlands to call me and give me their names and numbers so that I have a better idea of who is responsible for their groups. Finally, I would ask that anyone who is a waterbearer or wants to be one read the WaterBearer's Handbook put out by Elinor du Pont some years ago. It can be found and downloaded from the Outlands Virtual Library on the Outlands Web site, or if you are not online, I will be happy to run off a copy for any gentle who requests a copy.

In Service to the Crown, the Kingdom, and the fighters of the Outlands,

XXI Annual Interkingdom Archery Competition

Just a reminder that the end of the 1998 season for the Northern hemisphere was December 1, which was also the beginning of the 1999 season for the Southern hemisphere. All Northern hemisphere scores shot before December 1, 1998 need to have been turned in by January 1, 1999 to be counted for the 1998 season.

This report usually appears in your Kingdom newsletter two months after I submit it. At the time of this writing, I am planning on moving and possibly changing email providers after the new year. If you need a copy of the rules, please see your local archery officer or Kingdom archery officer. They should have a hard copy of the rules or should know my current address. I'll make sure snail mail and email are forwarded to my new addresses so I don't lose any correspondence.

Thank you for your patience and understanding.

Make checks payable to "SCA - Caer Galen"

The Shire of Caer Galen with the cooperation of the Barony of Caerthe invites Artisans one and all, in the anticipation of Spring, to display the flowers of their artistic endeavors. The main purpose of this event is to encourage Artisans of all levels to enter A&S competitions and give them the skills to do this in an effective manner. However, there is something for every artisan, be they novice or Laurel. There are three main parts to this event; a Queen's Prize type display, a Reverse Laurel's Prize display and classes pertaining to the entering of A&S competitions.

The Artisan's display will have two divisions: Novice and Regular. There will be 2 Champions chosen, one from each division, by public acclamation. Artisans may enter both Divisions up to a total of 6 entries. Kingdom rules apply with these exceptions: no entry limit in a category and you will not be required to evaluate if you are entering in the Novice division. Laurels are invited to bring their favorite work with documentation for display.

We would like to have pre-registration of entries if possible, in order to schedule evaluators in advance. Also, each Artisan's work will be displayed as a whole and we will need to know how much space to allow and to schedule evaluators with knowledge in the proper areas. However, if you do not preregister you may enter but will be limited to 3 entries.

Bring your best Italian garb to wear for the evening's festivities, which will include both music and a sumptuous Italian Feast. Opening court will be at Their Majesties' discretion. This is a

DRY site, smoking in designated area only. Check the Caer Galen web page for further details. (<http://www.caer-galen.outlands.sca.org/index.html>). Further details in next month's Herald.

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.
